

GRAND CERCLE
DES VINS DE BORDEAUX

COPENHAGEN – WEDNESDAY 22ND JANUARY

GRAND  ERCLE
DES VINS DE BORDEAUX

THE TALENT POOL

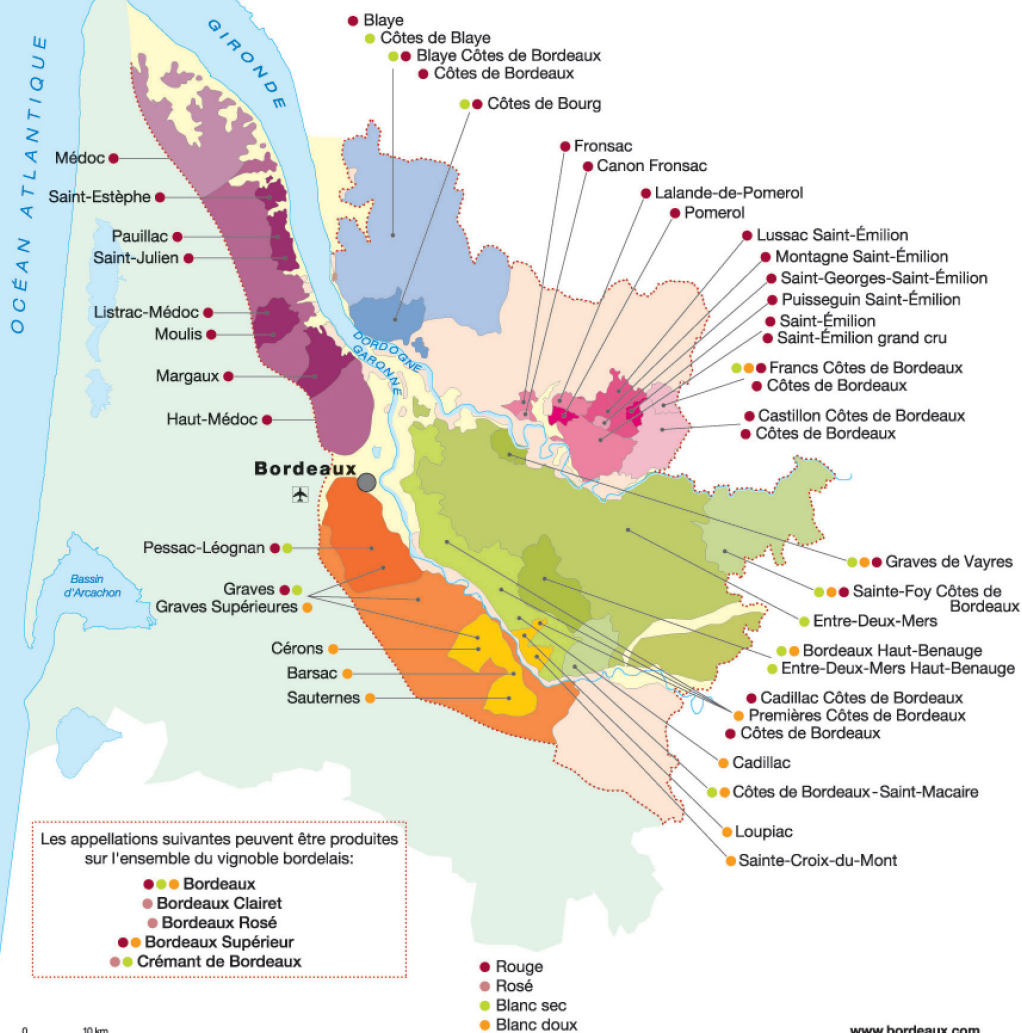

The Grand Cercle des Vins de Bordeaux gathers winemakers, from Bordeaux right bank and left bank, who in their quest of excellence share Bordeaux traditional values of vine and wine.

In the diversity of their 26 appellations of origin, the 140 Châteaux members of the Grand Cercle prove it is possible in Bordeaux to offer superb wines, made with ethics and passion. Those wines are suited to every occasion and every budget : the reference for “everyday drinking housewines”.
