

CERTIFICATE OF FIREPROOFING

(FIREPROOF CERTIFICATE)

N° 020 /2014

GTFI Member n° 0800

The undersigned applicator, a member of the French technical fire prevention group « Groupement Technique Français contre l'incendie » (GTFI) certifies that the materials and/or elements comprising the subject of this document have been fireproofed in conformity with the legislation and rules in force, using the products referenced by the GTFI in compliance with the technical conditions imposed by the manufacturer consistent with the rules the profession. The applicator has completed this certificate under its own responsibility. Testing carried out by the security commissions does not free the applicator from its personal responsibilities.

Materials and or elements treated

Nature of the material

Fabrics ☒ wood ☐ various : Cellulosic fiber **N**

Exact description : Card module

Developed surface treated : XXXX m² or number(s) of units treated XXX units

Marking : NO

Quantity/(ies) of fireproofing product(s) used : 150g/m² (concentration of chemicals) **E**

Mode of treatment soaking ☐ daubing ☐ Spraying ☒ Others :

Self-administered testing

Equipment : Bec Bunzen **M**

Results of self-administered testing (*) : No flame propagation persistence

(*)A fire classification of the finished material would require tests carried out by an approved laboratory on request of the customer.

Comments : **I**

Maintenance advice : (maintenance tips)-----

Products or procedures used :

Trade name of the fireproofing product or products : EUROFIBRE Batch N° 1114/AET **C**

Manufacturer : SARL ALFA FLOR

Official record n° 18305-14 Official Laboratories : Héraklès; Safran; SNPE

Materials : (support) cellulosic fibers **E**

Fire classification indicated on the official record : M1;(B1); A2,s1d1

Durability of the treatment : No time limit

Further information : **P**

Date and place of procedure : Ateliers

11/02/2015

Name and address of customer : NIKITA PUBUBLICITE 82000 Montauban

Salon Exposition Berlin

Invoice **S** Number : FA15XXXX
