| Referência                    | Nome do produto                  | Apresentação   |
|-------------------------------|----------------------------------|----------------|
| <b>Anti -Trombina III</b>     |                                  |                |
| 1300036390                    | Yumizen G AT III                 | 4 x 3 mL       |
| 1300036416                    | Yumizen G CAL                    | 12 x 1 mL      |
| 1300036412                    | Yumizen G CTRL I and II          | 5 x 1 mL (2x)  |
| 1300036413                    | Yumizen G CTRL I and II          | 10 x 1 mL (2x) |
| <b>D-Dímeros</b>              |                                  |                |
| 1300036391                    | Yumizen G DDi 2                  | 3 x 2,5 mL     |
| 1300036392                    | Yumizen G DDi 4                  | 3 x 4 mL       |
| 1300036414                    | Yumizen G CTRL DDi I and II 5    | 5 x 1 mL (2x)  |
| 1300036415                    | Yumizen G CTRL DDi I and II 10   | 10 x 1 mL (2x) |
| <b>Fatores</b>                |                                  |                |
| 1300036393                    | Yumizen G FII                    | 5 x 1 mL       |
| 1300036394                    | Yumizen G FV                     | 5 x 1 mL       |
| 1300036395                    | Yumizen G FVII                   | 5 x 1 mL       |
| 1300036396                    | Yumizen G FX                     | 5 x 1 mL       |
| 1300036397                    | Yumizen G FVIII                  | 5 x 1 mL       |
| 1300036398                    | Yumizen G FIX                    | 5 x 1 mL       |
| 1300036399                    | Yumizen G FXI                    | 5 x 1 mL       |
| 1300036400                    | Yumizen G FXII                   | 5 x 1 mL       |
| <b>Inibidores</b>             |                                  |                |
| 1300036401                    | Yumizen G PROTEIN C Quantitative | 4 x 2 mL       |
| 1300036402                    | Yumizen G PROTEIN S Activity     | 4 x 1 mL       |
| <b>Anticoagulante Lupus</b>   |                                  |                |
